

Next-gen single-cell omics workshop

Exhibition and sponsorship

Hotel Aquatis, Lausanne • December 2, 2025

Raise your profile in the single-cell omics community

Join us for the Next-gen single-cell omics workshop*, a one-day event at the forefront of bioconvergence that brings together pioneers and innovators from the pharma and biotech industries, clinical practice, start-ups, regulation, and research. Single-cell technologies are revolutionizing complex 3D models and tissue studies, enabling a unprecedented understanding of how cells behave and function in drug testing, regenerative medicine, and clinical diagnostics. The workshop showcases keynote and invited speakers, and challenges the community to discover:

- How to accelerate the translation of new solutions into clinical and therapeutic applications
- How to design and develop innovative products or services based on cutting-edge technologies
- How to tackle the hurdles of using new methods and technologies in a regulated environment

The workshop offers multiple opportunities to participate, network and present your organization and vision to the community. Don't miss this chance to increase your visibility and build strategic partnerships.

Venue

This event will take place on December 2, 2025 at [Aquatris Hotel](#),
Rte de Berne 148, 1010 Lausanne ([access map](#))

www.csem.ch/events

*This event is organized together with the Precision Liquid Handling workshop that takes place at the same location on the December 1st.

Terms and conditions of booking

1. Deadline for registration is set for November 14, 2025.
2. Acceptance of applications for sponsorship and exhibition is at the discretion of the organizers.
3. Cancellations: If you find it necessary to cancel your exhibition or sponsorship package, please contact our team immediately by email (btu@csem.ch).
 - a. Cancellation more than 60 days prior to the first open day of the workshop – 100% reimbursement of the payments (no penalty).
 - b. Cancellation between 31 and 60 days prior to the first open day of the workshop - penalty of 50% of the total charge provided that written notice is received.
 - c. Cancellation 30 days or less prior to the first open day of the workshop – 100% of the total charge as a cancellation penalty.
4. In case of cancellations by the organizers, all payments will be reimbursed.
5. Payment must be made in advance of the workshop and is non-refundable according to the above cancellation terms.
6. You will be provided with confirmation of your booking, along with full details of electronic material providing deadlines such as logos or flyer ad.
7. The exhibition stand contract constitutes a license to exhibit and not a tenancy. The organizer reserves the right at any time and from time to time to make such alterations in the ground plan of the exhibition as may in their opinion be necessary in the best interests of the exhibition and to alter the shape, size or position allocated to the exhibitor.
8. The exhibitor or sponsor shall not be entitled to withhold payment of any amounts payable to the organizer in relation to the exhibition or sponsorship package by reason of any dispute or claim by the exhibitor or sponsor in connection with the exhibition/sponsorship package or otherwise nor shall the exhibitor or sponsor be entitled to set off any amount which it is alleged is payable or due from the organizer against any amount payable to the organizer in relation to the exhibition or sponsorship package.
9. Exhibitors are responsible for their own insurance for the event.
10. Exhibitors are responsible to transport their materials to the exhibition area and set their booth on time on their own.
